A NOTE FROM THE CHAIR

Another year has transpired and the staff have been hard at work assembling the following convention. Why haven't you joined staff yet? It's awesome. We only do this because of you, the Fanatics and Otaku. Without you, we have no reason to put together the most audacious, expensive thing in our year. It's because of the dedication and desire to share that the staff, dealers, artists, talent, panelists and guests of honor coalesce to present such an amazing event. I would like to take this opportunity to thank everyone, including those who don't read this, for attending and making this possible.

Thank you, Otaku.
Thank you, Fanatics.
Thank you, Guests of Honor.
Thank you, Dealers.
Thank you, Artists of the Alley.
Thank you, Disk Jockeys (talent).
Thank you, Hotel Ramada personnel.
Thank you, Panelists.
Thank you, Members (guests/attendees).
Thank you, Staff of Anime Fusion.

Thank you. Did I say, thank you?

Let's all make this the best, yet, Anime Fusion experience for all! This is, Anime Fusion 2015: The Future was Then. Where we explore the vision of our present from the past's vision of the future. Space operas and spaghetti odysseys, to name a few, as well as westerns and historically based fictions. The Future was Then, as it is now. Share with your friends the wonder that is Anime.

Anime Fusion is a Quad Cities Anime, Inc. production and operates as a non-profit fan-based organization. All of our staff are volunteers and receive no monetary compensation for their efforts. Please be kind, and consider helping where you can. Volunteer hours and letters of recommendation can be received and applied for as staff of Anime Fusion/Quad Cities Anime, Inc.

REGISTRATION

MAIN LOBBY

Friday: 10 AM - 9 PM

Saturday: 10 AM - 9 PM

Sunday: 10 AM - 3 PM

BADGE PICK-UP: A government-issued photo ID (passport, driver's license, state ID, military ID) is required to be shown before anyone will be issued an adult badge. If you cannot prove your age, you will be issued a minor badge. Anime Fusion reserves the right to not issue a badge to anyone who can't prove their identity. You may not pick up anyone else's badge but your own, even if you have their ID. Anime Fusion encourages everyone to bring proof of payment in the event that you are not listed in our books. Pre-registered individuals and groups may pick up their badges in Operations outside of normal registration hours.

WALK-UP REGISTRATIONS: If you are not registered, you may purchase a full weekend badge, or a day badge at the convention. Walk up registrations will not be processed outside of normal registration hours. Day passes are valid until 10 AM the following day.

WALK-UP REGISTRATION RATES: Full Weekend - \$40, Friday Only - \$15, Saturday Only - \$25, Sunday Only - \$10

BADGE REPLACEMENTS: Every person is responsible for their badge once it has been picked up. If you lose your badge, you can purchase a new one. Sorry, but we do not offer refunds if your original badge is found. If you do lose your badge, we recommend checking with Operations to see if anyone has turned it in before purchasing another one.

TRANSFERS: You may not give your badge to anyone else or otherwise allow anyone else to use your badge. If you wish to transfer your membership to someone else, you will need to visit the registration counter and request a transfer. No transfers will be processed outside of normal registration hours.

VOLUNTEERS

MAIN LOBBY

Volunteers has moved! We are enjoying a new spacious local on the main floor across from Registration. Once you've grabbed your badge, come over and take a look at our lovely prizes that could be all yours for the low, low cost of a few hours time. Enjoy people watching? **Badgers** help keep our hotel Muggle-free. If you are more of an active person, **Hospitality Helper** is the way to go! Conventions mean lots of hungry people determined to prove they can subsist on rice and ramen* and you'll never be bored. Our friendly across-the-hall neighbors at **Registration** can always use another friendly face either as **Line Wranglers** or as **Table Assistants** wherein you would check IDs and hand out badges. Fusion is run by volunteers (yes that includes the Staff!) and we couldn't do it without you. So in advance, and to every volunteer we've had these past years, THANK YOU!

*Please don't do this.

THE REACTOR LOUNGE

MENOMINEE EAST

Friday: 10 AM - 2:30 AM

Saturday: 10 AM - 2:30 AM

Sunday: 10 AM - 5 PM

During the main hours of the convention, this is the best place to hang out! Bring games, art supplies, the new comics you just bought in the Dealers Room - there's plenty of table space to go around.

The Reactor Lounge is where you'll find the **Photoshoot Area**. Check the schedule to see when the various photoshoots are. If there isn't a scheduled shoot going on, the photo area is open for anyone to use. The Lounge is also home to **Ambassador's Row**, where our visiting conventions and other organizations have set up shop. Our visitors this year are 2D Con, Anime Fargo, Nerd and Tie Expo, Kitsune Kon, No Brand Con, and Gamer's Rhapsody. You'll also find the Ramada's concessions station there with a variety of food options for a reasonable price. And in the evening, stop by the Reactor Lounge and sing your heart out at **Karaoke!**

TABLETOP GAMING

MAIN: ROOM 215

CCG CENTRAL: ROOM 301

Friday: 12 PM - 12 AM

Saturday: 10 AM - 12 AM

Sunday: 10 AM - 3 PM

Our Tabletop staff is looking forward to meeting and hanging out with you. We're offering a wide variety of scheduled and free play events for the weekend. Check the schedule to find out what's going on in both rooms.

- Please pick up trash from your area. We will make sure there are trash cans available for you. All we ask is that you help the trash get there!
- Family-friendly gaming only. Anything 18+ is not allowed (i.e. Cards Against Humanity). Do we REALLY want to explain to a small Pikachu what some of those terms are?
- Any young children must be accompanied by a parent or responsible adult at all times. Anyone with a youth badge (under 18) is still welcome after 10 PM, but must be accompanied by an adult.
- We welcome anyone to bring board games to share. Just let the staff know when you bring it in so we don't mistake it for one of our own.
- Have fun! (Yes it IS a rule!)

Please make sure to give feedback to the convention about what you like, didn't like, and what you would like to see in the future. We try to make everyone happy, but there are SO MANY COOL GAMES that we can't anticipate all of your cool favorites!

Things that we are introducing this year:

- Furry Pathfinder RPG Session – Hosted by Furry Migration
- Robo Rally Qualifier for 2DCon – Hosted by This Is Geek & 2DCon
- More variety of Magic events, with sponsorship by Level Up Games
- New kinds of games, as well as some old favorites!

Attention all cosplayers and anime fanatics! Anime Fusion is proud to host a number of photoshoots throughout the convention. This year we will be doing things a little different. Instead of groups requesting a shoot, we've taken your suggestions and scheduled general photoshoots for the most requested themes. All photoshoots are open to all convention attendees. We want everyone to be able to share their love of the particular series, movie, game or whatever – Together!

The Photography area will be set up all weekend, and individuals are free to use the space for their own photoshoots when an official photoshoot is not underway.

LIVE CHARITY AUCTION

PANEL ROOM 3 (WINNEBAGO)

Sunday: 11:30 AM - 12:30 AM

Take home a unique item while benefiting a great cause. All proceeds will be donated to Cornerstone, a local organization dedicated to reducing domestic violence and helping those in crisis.

Meet our Charity! Cornerstone

From their website at cornerstonemn.org:

Cornerstone was established in the fall of 1983 by a small group of passionate women and men dedicated to serving victims of domestic violence in South Hennepin County. We responded to strong community need by introducing a 24-hour crisis hotline staffed by dedicated, well-trained volunteers.

In January 1985, we established the first Hotel/Motel safe housing program in Minnesota. During the 1990's the agency implemented many more innovative services that were firsts in the state for victims and their children. In 2001, due to service demands and agency growth, our Board of Directors made the decision to conduct a capital campaign to build a facility that would house both a 35-bed Emergency Shelter and our community-based services. After a successful campaign, we moved into the Sheila Wellstone Center in 2004. We retired our mortgage in 2005. The same year we acquired Day One®, which provides a statewide referral system to people seeking help from violence.

In 2014 our geographic footprint widened into Northwestern Hennepin County at the request of community leaders. Cornerstone now serves ten target cities: Bloomington, Richfield, Eden Prairie, Edina, St. Louis Park, Brooklyn Park, Brooklyn Center, Robbinsdale, Crystal, and Maple Grove.

Recognizing the intersections between domestic violence, sexual violence and human trafficking, we expanded our mission to formally broaden the population we serve. As the Neighborhood Involvement Program prepared to close its doors, we were asked to acquire their Rape and Sexual Assault Center (RSAC). As of January 2015, RSAC is now a program of Cornerstone and we are maintaining its south Minneapolis location.

MASQUERADE COSTUME CONTEST

RULES AND PROCEDURES

All participants are required to attend the stage orientation session on Saturday and the Masquerade show.

Sign up for the contest in the upper lobby outside the Dealers Room. Sign-ups will close at 1:00 PM on Saturday or whenever the contest is full. To access the stage, cosplayers will need to pass through a small hallway and climb a few stairs, so please plan your costume accordingly. All costumes must adhere to the general cosplay rules of the convention. Any props or materials brought onstage during your performance **MUST** be brought offstage with you. Nothing can be left onstage. No glitter, confetti, liquids or other material that might make a mess may be used onstage.

There can be **NO LIVE STEEL** or real weapons on stage! Any prop guns must be obviously props (i.e. marked with an orange tip), cannot be pointed at the audience at any time, and fingers must remain off the trigger at all times. If desired you may ask Cosplay staff to remove any Safety markers (i.e. zip ties) from your props before you go on stage, but you are responsible for getting the markers replaced by staff before you re-enter the public areas of the convention. Any stage combat must be safe for all participants and convention property. All stage combat must be reviewed by con staff prior to competition.

There is no live microphone use or live speaking on stage. If you are a skit and would like audio played during your performance, bring your audio burned to a CD on Friday. Make sure the CD contains only the sound you want used - we cannot edit your audio or start it at specific times! CDs may or may not be returned, so do not submit originals or valuable materials.

The Masquerade is an all-ages event. All content must be appropriate for a PG-13 rating - no profanity or sexual content, no inflammatory or offensive material. If you are questioning whether or not your material fits within these guidelines please contact a member of cosplay staff. Other staff members may not know the correct answer. All questions regarding exceptions must be made before the end of orientation on Saturday afternoon. This orientation is mandatory.

Craftsmanship

This category is for cosplayers who make their own costumes. Cosplayers can enter individually or as a group, with the awards given to the people who made the costumes. Craftsmanship entries will sign up for a Saturday pre-judging time to have their costumes examined, and then will participate in the Masquerade as walk-on or performance entries. All Craftsmanship contestants **MUST** bring printed reference material showing the character design their costumes are based on.

Performance

This category is for individuals or groups who wish to perform a skit on stage. Skit performers must have pre-recorded audio and skit content may not exceed a PG-13 rating. If you or any member of your group violates this policy, your audio will be cut and your group will immediately be disqualified from the competition. All skits must occur entirely on stage. Skits are limited to two minutes and thirty seconds. Please plan carefully!

Exhibition

The Exhibition category is for cosplayers who want to show their costumes or a skit to the audience without competing for any awards. Skits must still have pre-recorded audio and must follow the PG-13 guidelines.

“We are a society celebrating imagination, inspiring creativity, and building our community all through service and education.”

CAITLYNN FRENCH

Ring the bell! Coming to the booth, from Wichita, Kansas, weighing in at (an undisclosed weight, probably less than your figma collection) pounds, It's Caitlynn French! Caitlynn is new to the scene, having debuted in 2012 as Qumola from **Book of Bantorra**. She's ran the ropes and trained hard to conquer roles such as Hana Isuzu (**Girls Und Panzer**), Maturika Shinouji (**Marja-Holic, Maria-Holic Alive**), Mei Tachibana (**Say "I love you"**), Mio and Midori Nishizono (**Little Busters, Little Busters Refrain**), Tsukiyo Kujo/Vulcanus/Luna (**The World God Only Knows: Goddesses**) Ai Astin (**Sunday Without God**) and Miyu Edelfelt (**Fate/kaleid liner Prisma Iilya**). Most recently Sentai Filmworks has revealed that Caitlynn is the voice behind the tiny genius Shiro, 1/2 of the infamous duo [] in **No Game No Life**. Caitlynn recuperates from her time in the booth by playing video games, and watching professional wrestling. She goes through grueling vocal conditioning playing tabletop roleplaying games, and is a frequent guest on the Shrinetime Podcast. When doing none of those, she likes to dress up like a Superhero with Heroes of Texas. It is unconfirmed, but highly suspected, her blood is pure caffeinated Pepsi. Catch more of this rising star on Facebook, and Twitter, and watch as Caitlynn grabs the VO world by the ears and gives it something it won't soon forget.

KRYSTAL LAPORTE

Krystal LaPorte is a voice actress living in Houston, Texas, but would much rather be a wizard living at Hogwarts. She takes long walks on the beach because that requires physical effort and is probably difficult to do in a snuggie. She is also going to stop speaking in the third person now because it makes her feel pompous. Hello, Anime Fusion! It is such a pleasure to be invited to my first convention, and even more of a pleasure to know that in three days I can say I've survived the arctic tundra that is Minnesota. If you know my name at all, it's probably for my role as Yui Takamura in **Muv-Luv Alternative: Total Eclipse**. Other roles that come to mind are Shiori Asagiri in **Tamako Market**, Mitsuhide Akechi in **The Ambition of Oda Nobuna**, Himiko in **Nobunaga the Fool**, and Yui Goido/Mars in **The World God Only Knows: Goddesses**. Some other shows I've leant my voice to are **Log Horizon**, **Dragon Ball Z: Resurrection F**, **Diabolik Lovers**, **Little Busters**, **AKB0048** (in which I also wrote the English Lyrics), **Love, Chunibyo, and Other Delusions**, and more I don't feel like listing whoo-hoo! I have way too many hobbies for a person with no time, but they include cooking, sewing, martial arts, drawing, and reading. My fandoms are anime, Harry Potter, Doctor Who, Orange is The New Black, and horror movies. If you see me walking around the floor be sure to say hello!

LESLEY PEDERSEN

Lesley Pedersen is an actress/voice actress from Austin, Texas. She first fell in love with voice over while doing ADR recordings for her character Emily on **Power Rangers Zeo**. Then, after a chance meeting with producer Steven Foster of ADV Films (now Sentai Filmworks), she jumped at the chance to voice as many Anime characters as she could. Some of her favorite roles include Alphard (**Canaan**), Kaede (**Nyan Koi!**), Hibiki (**Pani Poni Dash!**) Uno (**Gilgamesh**), Paula (**Red Garden**), Elana (**Devil May Cry**) and Lorenza (**Le Chevalier D'Eon**). Lesley can also be seen on occasion in films, television and commercials. When she is not acting, she enjoys doing anything fun with her musician/video game music composer husband, Einar and her two awesome kids, Hannah and Viggo. Lesley is so excited to be a Guest of Honor at Anime Fusion and can't wait to meet everyone! She also promises to speak in third person for at least a minute of every panel, because it's not creepy at all. ;) Follow/like her on Facebook, Twitter and/or Instagram!

CHRIS RAGER

Voice Actor, Single Father and Savior of Worlds. Currently residing in Dallas, Chris Rager has been bringing you your favorite anime and video game characters like Hercule from **Dragonball Z** and Mr. Torgue in the Game of the Year **Borderlands 2** for 16 years. When not being challenged by his daughter, he takes on challenging roles like the Principal in **Assassination Classroom** as well as Dagger Morse in **Show By Rock**. If you need to know more, Google him. He loves to be Googled! In the future, Chris hopes to bring more excitement and explosions to more characters and opportunities!!

GUESTS OF HONOR

SAMURAI DAN AND JILLIAN

Dan Coglan, a.k.a. "Samurai Dan" and his wife, Jillian, are the acknowledged masters of marital... er, MARTIAL mayhem. This dynamic duo travels the civilized portions of the U.S., bringing their unique show to curious and horrified audiences alike.

In addition to their high-energy, mostly safe stage shows (where razor-sharp blades and barbs fly) the couple teaches historical and hysterical panels on the way of the warrior. Offering a wide range of lectures and interactive workshops, Dan and his lethal love Jillian are guaranteed to provide con attendees fun and fulfillment.

Due to a supreme lack of filter, Dan also performs standup comedy, and lives to embarrass his wife onstage, in censored and uncensored settings.

A storyteller at heart, Dan is finishing his third horror novel, and offers insights into the creative process with panels for the aspiring writer as well.

FEATURED SPEAKERS

ABBY LEHRKE

Abby Lehrke has been working as a translator of manga for almost four years, but has been a fan of manga and anime for about fifteen. She's worked freelance for such companies as Kodansha, Kadokawa, Viz, and Crunchyroll. Over three years and thousands of pages, she's had a lot of experiences and surprises in the manga industry, and she'll be happy to share them all with you.

SHANNON TOWNSEND

Shannon Townsend is an artist with Studio ONY, a writer for FUSE Magazine, and the director of Geek Slink Belly Dance in Minneapolis. Assisting on her panels is Richard Townsend, the head writer for Studio ONY. They are currently working on the Whip Angels title, a supernatural roller derby comic.

Events involving our Guests of Honor or Featured Speakers are shaded for emphasis on the convention schedule.

FRIDAY

King of Tokyo
