A NOTE FROM THE CHAIR

Welcome all to Anime Fusion: Racing Through Time. This is year six. Quad Cities Anime is proud to present to you the fruits of many staffers' labor. A big thanks goes to you, the attendees, for whom we put hours of effort into planning this gathering. Another thanks goes to the Hilton DoubleTree Park Place. If you're thankful like me, be sure to thank both the staff of the DoubleTree and our Anime Fusion staffers. With our dedicated staff this event is made possible. Racing Through Time is this year's theme; fitting, isn't it? The past and the future await you in the present here. Cosplay, watch anime in the video rooms, or get your otaku on in the dealers and artists room.

While I'm at it, I'd like to remind each and every one of you that if you feel the calling, we can always use more eager people in our ranks. If it's just volunteering here during the event of Anime Fusion: Racing Through Time or a more semi-permanent position on the staff roster year-round, we would love to have you join us in making Anime Fusion the best "small con" in the state.

Anime Fusion is: a blend of the old classics and new anime; family-friendly; an all-ages convention every October. That being said, you are the friends and family that make Anime Fusion what it is.

Be good to one another, and enjoy Anime Fusion 2017: Racing Through Time.

MASQUERADE COSTUME CONTEST RULES AND PROCEDURES

GENERAL GUIDELINES:

All participants are required to sign-up or check-in at the cosplay table on Friday, attend the stage orientation meeting on Saturday morning, and attend the Masquerade show that evening. You will be notified of specific times on Friday.

Sign-ups for the contest will take place on-site at Anime Fusion outside of the Dealer's Room. Sign-ups will be open on Friday until all reserved spots are filled. If not filled, additional spots will be open during orientation. To access the stage, cosplayers may need to pass through a small hallway and climb a few stairs, so please plan your costume accordingly. You may also have one handler per group if necessary. All costumes must adhere to the general **Cosplay Rules** of the convention.

PROPS:

Any props or materials brought onstage during your performance **MUST** be brought offstage with you. Nothing can be left onstage. **No glitter, confetti, liquids or other material** that might make a mess may be used onstage. Open flame, lasers, strobe effects, fog/smoke machines, and projectiles are not permitted. There can be **NO LIVE STEEL** or real weapons on stage! Any prop guns must be obviously props (i.e. marked with an orange tip), cannot be pointed at the audience at any time, and fingers must remain off the trigger at all times.

STAGE GUIDELINES:

Any stage combat must be safe for all participants and convention property. **All stage combat must be reviewed by con staff prior to competition.** All stage combat must stay on the stage. There is **no live microphone use** or live speaking on stage. If you would like audio played during your skit or walk-on performance, bring your audio on a USB drive to cosplay table on Friday. Make sure the USB contains **only** the sound you want used - we cannot edit your audio or start it at specific times! The Masquerade is an all-ages event. All content must be appropriate for a **PG-13** rating.

COMPETITION RULES:

There are three categories in the cosplay competition: Craftsmanship, Performance (skits), and Exhibition. Cosplayers may enter both Craftsmanship and Performance.

There are three levels of competition:

-Novice: Those who have never won any awards in a costume contest.

-Journeyman: Those who have won at least one "best in" award in a costume contest or any Anime Fusion award.

-Master: Make income from costuming, or won any best in intermediate/journeyman or higher award in a costume contest.

CRAFTSMANSHIP:

At least 60% of the costume must be made by the participant, or, if you are modeling a costume you did not make, the creator **must** be with you during judging.

PERFORMANCE:

All entrants are by default signed up as walk-ons unless otherwise stated during sign-up.

Skits:

This category is for individuals or groups who wish to perform a skit on stage. Skit performers **must** have pre-recorded audio limited to two minutes. All skits **must** occur entirely on stage.

Walk-ons:

This category is for individuals who wish to display their costume, and model for pictures. Walk-ons are limited to 45 seconds.

EXHIBITION:

The Exhibition category is for cosplayers who want to show their costumes or a skit to the audience without competing for any awards. Exhibitions must follow all applicable rules regarding their performance.

MISCELLANEOUS:

A costume contest is defined as any competition at a state level such as other conventions, or other large-scale costume contests.

Following the Masquerade, the photoshoot area will be reserved for contest participants. All participants are encouraged to make use of this time to let admirers take pictures of their costumes.

Exceptions to previously stated rules can be made at the sole discretion of cosplay staff. These exceptions are not guaranteed. All questions regarding exceptions must be made by Friday at the cosplay table. Any rule infringement can and will result in disciplinary action by the cosplay staff. **The cosplay staff reserves the right to remove any participants based on conduct, safety, or for any other reason deemed sufficient.**

JOSH GRELLE

Josh is a life-long geek and actor with over 200 voice credits in his 10+ year career. His favorite roles include **Attack on Titan** (Armin), **Yuri on Ice** (Yuri Katsuki), **Princess Jellyfish** (Kuranosuke), **The Devil is a Part-Timer** (Sadao Maou), **Drifters** (Toyohisa), **RWBY** (Tyrian), **Kenichi: The Mightiest Disciple** (Kenichi), and **Snow White with the Red Hair** (Zen). He has also lent his voice to many video game properties; **Tales of Xillia 2** (Ludger), **Dragonball Xenoverse** (Demigra), and **Freedom Planet 2** (Captain Kalaw) to name a few. When he isn't behind the mic, Josh can usually be found writing scripts for the English adaptations of many FUNimation and BangZoom! Productions, such as **Fairy Tail**, **Tokyo Ghoul**, **Overlord**, and **Gundam: Iron Blooded Orphans**. He is represented by the Mary Collins Agency.

JOHN GREMILLION

John Gremillion is a stage, film and voice actor who has been working in anime for nearly 20 years. He has provided voices for dozens of popular anime titles for ADV, FUNimation, Okratron 5000, Seraphim Digital and Sentai Filmworks. John recently played Takeshi Hirokawa in **Parasyte: The Maxim** and General Liver in **Akame Ga Kill!**, both seen on Adult Swim's Toonami. In 2015, he was nominated for BTVA's Best Male Lead Vocal Performance in an Anime Feature Film for the role of "D" in Sentai's re-dub of **Vampire Hunter D**. Some of John's other popular roles include Dracule Mihawk in **One Piece**, Arthur Randall in **Black Butler**, Hakuoro in **Utawarerumono**, Daiju Mononobe in **Eden of the East**, Cardinal Francesco in **Trinity Blood**, Albedo Piazzolla in **Xenosaga**, Law in **Full Metal Alchemist**, Fal (The Duel) in **Halo Legends**, Dr. Kestner in **Appleseed Ex Machina**, and Makoto Shinjou in **Area 88**. John has played supporting roles in such titles as **Summer Wars**, **Devil May Cry**, **Darker than Black**, **Coyote Ragtime Show**, **Speed Grapher**, **Full Metal Panic!**, **Desert Punk**, **Gantz**, **D.N. Angel**, **Princess Nine**, and **Gasraki**. A professional video editor, John worked with ADV Films on materials for their 2010 release of Halo Legends. In addition to anime, John has provided voice over for several commercials and some feature films. He studied film at The University of Texas at Austin and Theatre Arts at The Juilliard School.

CARRIE SAVAGE

Carrie is glad to be coming to Anime Fusion and is looking forward to meeting everyone! Some of Carrie's roles include Hakufu in **Ikki Tousen**, Nancy in **R.O.D. the TV**, Kukuri in **K**, Maromi in **Paranoia Agent**, Shima in **Stellvia**, Nina in **Ultra Maniac**, Fuko in **I, My, Me!** **Strawberry Eggs**, Rakka in **Haibane Renmei**, Mokona in **Tsubasa Chronicles** and xxxHOLiC, Miu in **Kenichi**, Rihoko in **Witchblade**, Asta in **Trinity Blood**, Soly in **Soly Rei**, Angol Mois in **Sgt. Frog**, Lisanna in **Fairy Tail**, lovely bad girl Otohime in **Maken Ki!**, and the list goes on. She has also had a fun time voicing characters in video games such as **Street Fighter X Tekken**, **Disgaea 4**, **Final Fantasy 7 Crisis Core**, **Suikoden 5**, **The Dynasty Warriors Series**, **Rumble Roses II**, and **Star Ocean 4: The Last Hope**, and the list is always expanding. Carrie has script adapted for such shows as **School Rumble** and **Shuffle**, and was also lucky enough to get to direct episodes 1-4 of **Shuffle**, as well as just a little occasional directing on various other shows. Carrie is currently residing in NY where she just graduated from Circle in the Square Theater School, but desperately misses Los Angeles, which she considers home. Yes, the Muscular Dystrophy makes living in NY, as well as some normal activities, and the heavy schedule with school, notably the physical classes, very challenging...but she just won't let anything stop her!

SAMURAI DAN AND JILLIAN

Dan Coglan, a.k.a. "Samurai Dan" and his wife, Jillian, are the acknowledged masters of marital... er, MARTIAL mayhem. This dynamic duo travels the civilized portions of the U.S., bringing their unique show to curious and horrified audiences alike. In addition to their high-energy, mostly safe stage shows (where razor-sharp blades and barbs fly) the couple teaches historical and hysterical panels on the way of the warrior. Offering a wide range of lectures and interactive workshops, Dan and his lethal love Jillian are guaranteed to provide con attendees fun and fulfillment. Due to a supreme lack of filter, Dan also performs standup comedy, and lives to embarrass his wife onstage, in censored and uncensored settings. A storyteller at heart, Dan is finishing his third horror novel, and offers insights into the creative process with panels for the aspiring writer as well.

FEATURED SPEAKERS

BRICHIBI COSPLAYS AND SNOWCOSPLAYS

15 years ago Briana Lawrence (Brichibi Cosplays) and Jessica Walsh (SnowCosplays) were two fanfiction-writing ladies who geeked out over **Gundam Wing** boys and **Resident Evil**. Now? They're still geeks and still have their fandoms, but they're also a cosplaying couple who write books, make crafts, and are generally nerdy women. Snow is the seamstress of the couple, meanwhile, Brichibi talks about issues in the cosplay community and how the most important thing about cosplay is to love yourself and have fun. The two ladies also speak on the importance of diversity in pop culture, and they've both written about it on various websites. Speaking of writing, the ladies have work published through Dreamspinner Press, both write freelance for WatchMojo.com, and they also self-publish their own series of books. Brichibi is currently working on a black, queer, magical girl series called **magnifiqueNOIR** while Snow is determined to scare the living daylights out of readers with her upcoming horror anthology **Little Creepers**. The two will soon be working on the third book in their **Hunters** series. When going to conventions they always bring their best. You can enjoy their crafts, get lost in their book series, or heck, you can come by for a hug and fun conversations about cosplay, anime, or video games. Always promoting positivity and supporting one another, Brichibi and Snow are smiling their way through the geek scene.

KAT PEPMILLER

Kat Pempiller has been a science fiction fan since the age of four, a fact that she attributes to her mother. She made her first costume, Princess Leia's white dress from **Star Wars**, ten years later. Costuming quickly became her passion, and she planned her convention schedules based on what she would wear and when. She attended her first convention in 1983, and competed in her first masquerade in 1988. Kat directed masquerades for eight years, and in that time developed the modern judging system being used by many regional masquerades. To date, she is the only woman to host a WorldCon Masquerade (ConAdian in 1994). She served as host for the Minicon masquerade for several years before taking the reins as director. In 2017, she stepped back into a director role for the masquerade at Anime Detour. As a theatrical costumer, Kat has designed costumes for many Twin Cities theaters including Theatre in the Round, Starting Gate Productions, Northwestern College, Workhouse Theatre Company, and the Pillsbury House Theatre, where she designed the costumes for the 2005 Ivey Award-winning **Hot Comb**. Previously, she designed the Workhouse productions of **Torch Song Trilogy**, **But Not For Love**, and **Eastern Standard**. Her work has featured in the Minnesota-made films **Chimera Tribe: The Rakai** and **The Devil's Hour**. Kat is also an accomplished alterations expert, with over twenty years of experience.

BEST 3SOME EVER

Best 3some Ever (B3E) is a Twin Cities (Minnesota) based, high energy, and fun podcast where Nick, Robb, and Kevin discuss all things revolving around nerdy pop-culture. They touch base on all current hot topics including, but certainly not limited to, movies, Star Wars/Trek, DC/Marvel, along with many other realms of Sci-Fi/Fantasy, comics, video games, science, and other nerdy/geeky items of interest. Nick, Robb, and Kevin have been performing for the past eight years together at the Minnesota Renaissance Festival, which leads to some great dynamics while recording Best 3some Ever. But rest assured, they are NOT playing any characters here...you're getting them in the full raw form. Well mostly raw, there has to be some editing. You can also check out other projects the guys are doing by visiting geekbynumbers.com.

HARISEN DAIKO

Easily the geekiest taiko group in the Twin Cities, if not the world, Harisen Daiko delights in sharing their love of Japanese drumming with audiences of all sizes. Especially the geeky ones. Ask us why we think of ourselves as "fans that hit things...primarily drums."

DJs

THANH TRUONG (AKA CHARISMA)

Thanh Truong started his music obsession in the early 2000's with the global phenomenon known as Dance Dance Revolution. The new take on dancing to music became his new favorite game to master and music outlet for years to come. In 2013, he began mixing music with a friend on a Pioneer DDJ-WeGo controller that soon became his new forte. He quickly adapted to learning many styles of mixing using a variety of controllers and software like Traktor, Serato, rekordbox, and Ableton. He was able to start his DJ career playing events at the University of Minnesota, ranging from cultural shows, school dances, and private events. His wide clasp of music genre's ranging from KPOP, classic Hip-Hop, to a variety of electronic dance music styles has led him to experiment frequently mashing tunes together from to create sounds like no other. Get ready to party hard because CHARISMA brings it all to the dance floor!

You can hear more of his current mixes at the following:

RYAN WALTERS (AKA GRIMACE)

Ryan Walters (aka Grimace) has been in the local Electronic Music scene since 2008. What started as merely attending shows and concerts evolved over time to producing his own works and performing at a variety of venues. Trance and House are his genres of choice, mainly because of their melodic chord structures. But just because his tracks are melodic doesn't mean they lack energy! You'll find it hard to resist bouncing around during a Grimace set.
