A NOTE FROM THE CHAIR

Welcome to Anime Fusion 2018: Mad Science!

For the past twelve months the concoctions of planning have been bubbling away, and at last, this experiment is ready for testing. We're all looking forward to seeing the results of our year's research. What memories will be forged in the light of the weekend's synthesis reaction? What new experiences will be had before the dust settles? We hope you're as excited as we are to find out!

This year is definitely experimental, as we've moved to a larger venue with more rooms than we've ever had. With the extra space we're trying out a few new things, such as a family activities area, a cosplay lounge, and a quiet zone. The layout of the Crowne Plaza can be confusing, so watch for signs and don't hesitate to ask for help from staff. You can find us in bright Safety shirts and white lab coats.

Since the closure of the old Ramada we've been looking for a new home where Anime Fusion can grow and flourish, and we think we've found it here. Please be respectful and patient while navigating our new venue, and science responsibly!

Madly yours,
Heather Bufkin

BASIC RULES

- **Don't break the hotel! Signs may only be posted using blue painter's tape.**
- **Be kind to your fellow attendees. Keep the hallways clear, watch out for large props and trailing costumes, and ask permission before taking photos.**
- **No sleeping in any convention spaces. No exceptions.**
- **No real weapons! Live steel is not allowed anywhere in the hotel, even if peace-bonded. Prop guns must be clearly identifiable as props on sight (i.e. marked with orange tips).**
- **Anime Fusion is an all-ages event. Please dress responsibly and keep language clean. Alcohol cannot be carried openly or brought into convention spaces.**
- **If it's illegal outside the convention, it's illegal inside the convention.**
- **Our complete costume policy, weapons policy, and harassment policy can be found online at animefusion.net.**

REGISTRATION

FIRESIDE LOUNGE

Friday: 9 AM - 8 PM
Saturday: 9 AM - 8 PM
Sunday: 9 AM - 2 PM

BADGE PICK-UP: Identification is required to pick up a pre-registered membership badge. You may not pick up anyone's badge but your own. Anime Fusion reserves the right to not issue a badge to anyone who cannot prove their identity. Attendees receiving an adult badge must show a government-issued ID with their birthdate and photo. Attendees who cannot prove their age at Registration will be issued a Minor badge. **Please note that a photo ID is still required to enter 18+ events; your convention badge is not enough identification to attend adult programming.** In the event that your pre-registration is not found in our records, proof of payment such as a PayPal receipt will help us issue your badge. Pre-registered attendees can also pick up their badges in Operations when Registration is closed.

WALK-UP REGISTRATIONS: If you did not pre-register, you may purchase a badge at the convention. Both weekend memberships and day passes are available at Registration during normal operating hours. Day passes are valid until 9:00 AM the following day. Outside of Registration hours, full weekend badges can be purchased in Operations. Day passes are not available after hours.

WALK-UP REGISTRATION RATES: Full Weekend - **\$45**, Friday Only - **\$20**, Saturday Only - **\$30**, Sunday Only - **\$15**

FAMILY PACKS: Anime Fusion also offers a family package deal for parents or other chaperones attending with children. The walk-up price for a family pack is the standard \$45 for one adult badge, plus one or two children age 6-12 at a discounted price of \$25 each. Children 5 and under are free. Family packs are only available for full weekend memberships. Pre-registered family packs must be picked up by the registered adult. Family badges can only be transferred or converted with the Registration head's approval. Not available for sponsorships.

BADGE REPLACEMENTS: Your membership badge has value and should be taken care of like money or an ID. If you lose your badge, you can purchase a replacement at Registration for a \$20 fee. We do not offer refunds if your original badge is found, so we recommend checking with Operations and the hotel front desk to see if anyone has turned in a lost badge before you purchase a new one.

TRANSFERS: Your convention badge is a registered membership, not a ticket. You may not give your badge to anyone else or allow anyone else to use it. If you need to transfer your membership to someone else, you can do so at the Registration desk during normal operating hours. Transfers cannot be processed after hours.

SPONSORS: Thank you for your support! Our Registration staff will direct you where to pick up your T-shirt and goodie bag.

HOTEL SHUTTLE

For those using public transportation, we have a shuttle running hourly between the Crowne Plaza and the Ridgedale Mall. It is a branded Crowne Plaza shuttle bus picking up at the East Entrance of Ridgedale, in between Sears and Nordstrom's. You can make connections at Ridgedale to MetroTransit buses or any other form of transportation you may be using.

PARKING

The Crowne Plaza has a surface lot and a two-story parking ramp on the hotel property, along with the athletic club parking area which is also available for us to use. The Crowne has also obtained permission from the city of Plymouth for attendees to park on Xenium Lane, between Campus Drive and 34th Avenue on the west side of the road. On Saturday and Sunday, overflow parking is available in the Three Rivers District parking lot. That lot is not available for parking on Friday.

GENERAL INFORMATION

OPERATIONS

STUDIO 9

Friday: 9 AM - 2 AM
Saturday: 9 AM - 2 AM
Sunday: 9 AM - 5 PM

Lost something? Got a question? Need help from staff? Operations is the convention's main office for general information, after-hours badge pickup, and the burgeoning Lost & Found. As you're wandering the halls, you can always get help and information from our Safety team, staff members in Anime Fusion lab coats, and the convention emergency hotline.

The emergency hotline number is printed on the back of every Anime Fusion membership badge and is a direct line to Operations. It accepts calls and text messages. If you ever feel unsafe at the convention and there are no staff members around, you can contact us at **651-447-7929** for immediate assistance.

VOLUNTEERS

HOTEL LOBBY

Friday: 11 AM - 7 PM
Saturday: 10 AM - 7 PM
Sunday: 10 AM - 4 PM

Interested in helping out? Want to get your hands on some awesome prizes? As a volunteer, you get to help us make our convention possible and receive rewards for your time and effort. Volunteers often check badges to keep our convention secure, help to serve food to other attendees in Con Fuel, and help out in other areas where they are needed. Any volunteer who exceeds 20 hours will earn a free badge for Anime Fusion next year!

The Volunteers department is located in an alcove of the lobby area, close to Registration. If you are interested in volunteering or have any questions, feel free to stop by.

QUIET ZONE

STUDIO 14

Sometimes the convention life can be too much, and you just need a quiet space to relax and calm down. This year we have our very own low-sensory quiet zone, in Studio 14 on the 3rd floor, for you to utilize whenever you may need it. Our charity Attitudes in Reverse is sponsoring the Quiet Zone. A.I.R. will have a donation box available if you are able to donate. Donations are not required, but appreciated. We understand that a time may arise where you may be having a health crisis or just need someone to talk to. Please feel free to stop any staff member (anyone wearing a staff lab coat or staff badge, or any member of our Safety team) if you need someone to assist you in any way.

CON FUEL

STUDIO 5

Friday: 7 PM - 2 AM
Saturday: 9 AM - 2 AM
Sunday: 9 AM - 5 PM

"Con Fuel" is where we serve our attendees FREE rice, ramen, and various thirst-quenching beverages. Please keep in mind, these snacks are only meant to tide you over until mealtime, so always make time for a nutritious meal each day of the convention.

- Sleeping is not allowed in Con Fuel.
- Everybody is expected to pick up after themselves.
- Please alert staff members of any spills immediately.
- Any personal items left in Con Fuel will be taken to Operations immediately, so always start your search there.

CONCESSIONS

In addition to the hotel restaurant, the Crowne is operating a concession stand near the Artist Alley. Hours are 10 AM to 9 PM Friday and Saturday, and 10 AM to 3 PM Sunday.

The stand has a wide variety of food and drinks for sale including fruit, pizza, popcorn, cookies, and other hot and cold items.

SAMURAI DAN AND JILLIAN

Dan Coglan, a.k.a. "Samurai Dan" and his wife, Jillian, are the acknowledged masters of marital... er, MARTIAL mayhem. This dynamic duo travels the civilized portions of the U.S., bringing their unique show to curious and horrified audiences alike. In addition to their high-energy, mostly safe stage shows (where razor-sharp blades and barbs fly) the couple teaches historical and hysterical panels on the way of the warrior. Offering a wide range of lectures and interactive workshops, Dan and his lethal love Jillian are guaranteed to provide con attendees fun and fulfillment. Due to a supreme lack of filter, Dan also performs standup comedy, and lives to embarrass his wife onstage, in censored and uncensored settings. A storyteller at heart, Dan is finishing his third horror novel, and offers insights into the creative process with panels for the aspiring writer as well.

LA VIE COSPLAY

LK and Persephone began attending conventions over 19 years ago. Meeting in the masquerade scene of the early 2000s, these ladies reunited in 2013 to begin the cosplay duo known as La Vie Cosplay. Since then, LVC has multiple awards to their name and have judged at over 20 contests since 2015. LK's background is heavy in performance and art, with time spent working in NY and teaching theater. LK is also an occupational therapist and has been using her background to help congoers young and old adapt to continue doing what they love. She is the duo's primary wig designer, director, script writer, painter, and jeweler. Persephone's background is in fashion and textiles along with having 8 years of experience in improv, music, and theatre. Persephone serves as the duo's primary seamstress, tailor, and patternmaker. Together, these two do a variety of events including charity, small gatherings, and large conventions. The duo is best known for their performances seen at conventions around the midwest. The goal of La Vie Cosplay is to promote inclusiveness and positivity within the congoing community.

PROLIFIC GAMES

Bill Slinger was born and bred in Minnesota. He has been playing games as long as he can remember, starting early with games like Risk, Dungeon, Paranoia, and D&D. He went off to college in 1993 where he spent a lot of time playing Magic and being the Vice President of his Games club. Bill decided to try his hand at design and had his first success with **Flapjacks and Sasquatches** in 2008. Currently, Prolific Games has seven games on the market and is working on many more.

HAWKS EFFECT

What do a former musician, an outdoorsman, and a "granola-making hippie" have in common? They are co-authors of the exciting new international serial novel: **Hawks Effect**. Having met virtually 10 years ago as part of a writer's faction within the MMORPG The Matrix Online, their interaction solidified when they decided to meet in person in New York City for a fateful meal at a local diner. Armed with a myriad of ideas and possibilities, this dynamic trio took their love of fandom and writing and transformed it into a fascinating project which allowed them the opportunity to tell a story for a new age. Combining elements of Sci-Fi, Fantasy, Mystery, a dash of Anime sensibility, and a bit of Spirituality and Mysticism, Rael Wisssdorf from a small village outside of Ulm, Germany, Nick Hede from Casper, Wyoming and Frank J. Williams III from Minneapolis, Minnesota have crafted a vibrant ongoing tale of tragedy, self-realization, redemption, and destiny.

Enter a world of diverse, complex characters, each with their own dreams and agendas, conflicts involving rival nations filled with drama and political intrigue, and a strong female protagonist who finds herself faced with an unthinkable choice which will forever alter the fate of multiple worlds. This writer's triad invites you to join them on this epic journey. For more information and to explore their rich world, check out hawks-effect.com.

JESSI SILVER AND J.C. HORVATH

Jessi Silver and J.C. Horvath are long-time Anime Detour staff members who profess their anime fandom by doing an unsustainable number of panels at local conventions. They like to highlight lesser-known anime, feature creators that they love, and explore the anime creative process from a fan's point of view.

Jessi has reviewed anime at her website, s1e1.com, for over ten years, focusing on new anime as it's simulcast in the U.S. She also does free-form posts on issues related to anime and anime fandom. Some of her favorite anime are Den-noh Coil, Nichijou, Mononoke, and Aggressive Retsuko. Jessi also enjoys dressing in J-fashion.

J.C. likes to mess around with game creation and has combined that with his love of anime for a game show he'll be bringing back to Anime Fusion this year. Some of his favorite anime include Revolutionary Girl Utena, Shirobako, and Ping Pong: The Animation, and he is incapable of shutting up about Madoka.

CONFERENCE ROOMS H & I

Friday: 2 PM - 12 AM
Saturday: 9 AM - 12 AM
Sunday: 9 AM - 3:30 PM

Located on the lower level, our Video Gaming rooms have a full array of gaming equipment to keep you busy all weekend!

Arcade: Revisit the classics on two multicabs provided by Fun Jumps Entertainment!

Virtual Reality: We have VR running each day before our tournaments start in our Tournament room on the big projector (pending projector compatibility). We will have the following games available for certain on the VR setup:

Battle Saber: Okay, okay, it's probably not as cool as what they're known for - slicing and dicing - but if you've ever wanted to really feel what it's like to handle everyone's favorite Kyber crystalline weapons, why not do it to your favorite bop or jam? Lightsabers to music! There's no going wrong!

Rick and Morty: Virtual Rick-ality: Step into poor Morty's shoes, literally, as Rick drags you along for all his zany, otherworldly, reality-bending, extraterrestrial, and questionably moral antics. I mean, the theme is Mad Science! How could we not do this??

Unspoken: One of the early flagship titles of the Oculus Rift! Take to the back streets and alleys of the worst parts of town and have a true sorcerer's duel against all manners of foe while carving out your place in the pecking order of this magical, violent underground!

Duck Season: Ever wanted to shoot that darn dog? Well, now you can.....sort of. Relive the Duck Hunt that was the joy of all 80s and 90s kids in modernized splendor, both nostalgic and.....kinda trippy.

Free Play Consoles: We have a selection of video game consoles and games available for people to play. If you're looking for something specific, ask one of our helpful staffers to help you get it set up!
