A NOTE FROM THE CHAIR

Welcome back to the Crowne Plaza Minneapolis West for Anime Fusion 2019: Infinite Possibilities!

The sky's the limit as we enter Anime Fusion's eighth year. We've added even more new features to the convention, including a maid café filled with treats and entertainment, a boffer room where you can spar with your friends using foam weapons, and a manga library for those who like to relax with a good book. Of course, all the usual staples are still here, from the classic video rooms and guest panels to our newer specialties like the family activities room and cosplay lounge. We hope you'll enjoy everything Anime Fusion has to offer!

As a non-profit convention, Anime Fusion is run entirely by volunteers. If you find yourself with some time to spare, please consider putting in an hour or two of volunteer time. You can earn great prizes while helping us make Anime Fusion safe and fun for everyone. Stop by the Volunteers table near Registration to learn how you can help!

Infinitely yours,
Heather Bufkin
Convention Chair
Anime Fusion 2019

OPERATIONS

STUDIO 9

Friday: 9 AM - 2 AM

Saturday: 9 AM - 2 AM

Sunday: 9 AM - 5 PM

Lost something? Got a question? Need help from staff? Operations is the convention's main office for general information, after-hours badge pickup, and the burgeoning Lost & Found. As you're wandering the halls, you can always get help and information from our Safety team, staff members in Anime Fusion lab coats, or the convention emergency hotline.

The emergency hotline number is printed on the back of every Anime Fusion membership badge and is a direct line to Operations. It accepts calls and text messages. If you ever feel unsafe at the convention and there are no staff members around, you can contact us at **612-354-6668** for immediate assistance.

PARKING

The Crowne Plaza has a surface lot and a two-story parking ramp on the hotel property, along with the athletic club parking area which is also available for us to use. The Crowne has also obtained permission from the city of Plymouth for attendees to park on Xenium Lane, between Campus Drive and 34th Avenue on the west side of the road. On Saturday and Sunday, overflow parking is available in the Three Rivers District parking lot. That lot is not available for parking on Friday.

SHUTTLE SERVICE

Friday: 12 PM - 8 PM

Saturday: 10 AM - 8 PM

Sunday: 12 PM - 6 PM

For those using public transportation, we have a free shuttle running hourly between the Crowne Plaza and the Ridgedale Mall. You can make connections at Ridgedale to MetroTransit buses or any other form of transportation you may be using.

Sunday: 9 AM - 5 PM

- Everybody is expected to pick up after themselves.
- Please alert staff members of any spills immediately.
- Any personal items left in Con Fuel will be taken to Operations immediately, so always start your search there.

GENERAL INFORMATION

REGISTRATION

FIRESIDE LOUNGE

Friday: 9 AM - 8 PM

Saturday: 9 AM - 8 PM

Sunday: 9 AM - 4 PM

BADGE PICK-UP: Identification is required to pick up a pre-registered membership badge. You may not pick up anyone's badge but your own. Anime Fusion reserves the right to not issue a badge to anyone who cannot prove their identity. Attendees who are 18 years or older must show a government-issued ID with their birthdate and photo to pick up their badge. **Please note that a photo ID is still required to enter 18+ events; your convention badge is not enough identification to attend adult programming.** In the event that your pre-registration is not found in our records, proof of payment such as a PayPal receipt will help us issue your badge. Pre-registered attendees can also pick up their badges in Operations when Registration is closed.

WALK-UP REGISTRATIONS: If you did not pre-register, you may purchase a badge at the convention. Both weekend memberships and day passes are available at Registration during normal operating hours. Day passes are valid until 9:00 AM the following day. Outside of Registration hours, full weekend badges can be purchased in Operations. Day passes are not available after hours.

WALK-UP REGISTRATION RATES: Full Weekend - **\$45**, Friday Only - **\$20**, Saturday Only - **\$30**, Sunday Only - **\$15**

FAMILY PACKS: Anime Fusion also offers a family package deal for parents or other chaperones attending with children. The walk-up price for a family pack is the standard \$45 for one adult badge, plus one or two children age 6-12 at a discounted price of \$25 each. Children 5 and under are free. Family packs are only available for full weekend memberships. Pre-registered family packs must be picked up by the registered adult. Family badges can only be transferred or converted with the Registration head's approval. Not available for sponsorships.

BADGE REPLACEMENTS: Your membership badge has value and should be taken care of like money or an ID. If you lose your badge, you can purchase a replacement at Registration for a \$20 fee. We do not offer refunds if your original badge is found, so we recommend checking with Operations and the hotel front desk to see if anyone has turned in a lost badge before you purchase a new one.

TRANSFERS: Your convention badge is a registered membership, not a ticket. You may not give your badge to anyone else or allow anyone else to use it. If you need to transfer your membership to someone else, you can do so at the Registration desk during normal operating hours. Transfers cannot be processed after hours.

SPONSORS: Thank you for your support! Our Registration staff will direct you where to pick up your T-shirt and goodie bag.

EARLY BIRD PRE-REGISTRATION: For the first time in Anime Fusion's history, pre-registration for the 2020 convention will be available on Sunday for the special early bird price of only \$25! Anime Fusion 2020 will take place October 16-18, here at the Crowne Plaza Minneapolis West.

We provide fidget toys, comfortable seating, and soft low-level lighting to help you relax. Our charity partner, Attitudes in Reverse, also provides resources for those in need of support. GUESTS OF HONOR

SAMURAI DAN AND JILLIAN

Dan Coglan, a.k.a. "Samurai Dan" and his wife, Jillian, are the acknowledged masters of marital... er, MARTIAL mayhem. This dynamic duo travels the civilized portions of the U.S., bringing their unique show to curious and horrified audiences alike. In addition to their high-energy, mostly safe stage shows (where razor-sharp blades and barbs fly), the couple teaches historical and hysterical panels on the way of the warrior. Offering a wide range of lectures and interactive workshops, Dan and his lethal love Jillian are guaranteed to provide con attendees fun and fulfillment. Due to a supreme lack of filter, Dan also performs standup comedy, and lives to embarrass his wife onstage, in censored and uncensored settings. A storyteller at heart, Dan is finishing his third horror novel, and offers insights into the creative process with panels for the aspiring writer as well.

FEATURED SPEAKERS

PARAGON

Paragon, one half of the cosplay duo Wig-Wig Cosplay, is a local competitive cosplayer from the Minneapolis area. He recently returned from the International Cosplay League competition in Spain, where Wig-Wig Cosplay represented the United States in the duo category, and has also won a number of cosplay awards around the country for performance and craftsmanship alike. He cosplayed casually for a few years before moving into the competitive scene, and sees cosplay as such a great hobby because it can be whatever you want it to be! We're all sharing our passions, from cosplayers who purchase online, to closet cosplayers, competitors, casuals, and more! Paragon is best known for his work with foam, thermoplastic, leather, and wood, using a combination to create dazzling props, armor, and outfits. Catch him around the con or at one of his panels! He'll be happy to share the knowledge he's acquired from years of good old trial and error.

PRINCEWELCOMEMATT

Mostly known for exceptionally bizarre videos and turning things human that should definitely NOT be, Matt is the ultimate thrifty Cosplay boy! With a degree in Musical Theater and 500k kids on tiktok, he's got the art of improvisation in the bag, the art of makeup design in another bag, and spooked his dog screaming after being asked to guest at this convention.

MIDNIGHT MINXES

The Midnight Minxes is a fantastical burlesque group from all over the Midwest! Comprised of multifaceted stage performers with eclectic talents from all shapes, sizes and backgrounds, our inspiration for our acts stems from our love of nerdy pop culture, such as: anime, comics, video games and tv shows. Each performer has a unique flavor of expression, whether it be cutesy and comedic or sultry and elegant. Midnight Minxes is certain to captivate with our surprising tricks and magical flair, bringing to life new ideas and providing astounding content for our audience to enjoy.

TWIN CITIES GEEK

Twin Cities Geek is an online culture magazine for the self-identifying geek community in Minnesota, particularly focused around the areas of Minneapolis, MN and Saint Paul, MN.

AMY SWANBERG - TCG CONTRIBUTOR

Amy Swanberg grew up in the suburbs of Philadelphia before moving to Minneapolis for college. Her father is responsible for fanning the flames of her fandom—she doesn't remember the first time she saw **Dune**, only that her dad would pull out his special-edition Laserdiscs when it was time to watch. As soon as she was old enough, Amy read through all the **Dune** books by Frank Herbert and then moved on to those written by his son. To this day, the series remains highly influential and special to her. Her fandom also includes **Star Wars** and **Star Trek**, and she happens to think **Babylon 5** is the best TV show ever made. Nowadays she watches lots of different anime. **Dragon Ball** in any form is her obsession, and in addition to being a moderator for a large **Dragon Ball** community on Amino, she spends time chatting with translators online to get the latest scoop from Japan. By day, Amy is a blogger and website copywriter. By night, she pretends to be a science-fiction novelist. She and her husband live in St. Paul with their quirky red dog, Malcom.

BRIAN GLUR - TCG CONTRIBUTOR

Brian Glur is an architectural designer and maker who goes by the name Power Up Props. He lives in the Twin Cities with his wife, Katie, and Shiba Inu, Zuko, spending his free time practicing the art of cosplay, prop making, and 3D printing. He graduated from North Dakota State University in 2015 with a master of architecture degree and currently works for a local firm doing residential high-rise design. Getting his start in prop making in 2010 and 3D printing in 2011, Brian has logged thousands of hours of print time and gotten experience with many forms of 3D printing and various methods of handcrafting. Fluent in Autodesk Fusion 360 and fueled by a "can-do" attitude, he aims to learn new skills with each project.

MARK MCPHERSON - TCG CONTRIBUTOR

Mark McPherson is a veteran connoisseur of the lost establishment known as the video store. Since he started working there in his teenage years, he's become an obsessed movie fan, going so far as to watch every movie in the Criterion Collection during the summer of 2006. Mark has bounced around from various careers in video editing, animation, and web development, but his constant pastime has always been movie criticism. He's never stopped writing about movies, from his early days as an amateur blogger to his professional writings today. His movie reviews have been seen on many websites that include BagoGames and Cinema Paradiso. As a movie critic, Mark is open to just about any genre if it hits the right spot. His favorites include **Vertigo**, **Casablanca**, **Playtime**, **The Seven Samurai**, and **Blade Runner**. There's a soft spot in his heart for anything from the 1980s, including the trashy pictures of Cannon and Troma.

RAE BLACK - TCG CONTRIBUTOR

With a childhood foundation of family time consisting of board games and watching **Star Trek: Deep Space Nine**, Rae's path into geekdom was more certain than a sci-fi franchise reboot. She's lived in a number of places in Minnesota, graduating from high school in Hibbing and receiving her BA in psychology from St. Olaf College in Northfield. Rae has yet to attend a fan convention she didn't love. She also enjoys theater, Legos, science fiction, playing all varieties of games—video, computer, board, and role-playing—web comics, reading, costuming, and seeing how many things she can reasonably fit in a list. Since marrying her husband, her horizons have been further widened to include MMORPGs and fantasy. In particular, Rae will geek out over **Star Trek**, **Harry Potter**, **Star Wars**, **Futurama**, **Something Positive**, and **Squirrel Girl**. She has one daughter and looks forward to both sharing her favorite things while helping her daughter find her own passions. In addition to writing for Twin Cities Geek, Rae also blogs about a number of subjects at Starship Suburbia and is currently working on developing her sewing and pottery skills.

GRIMACE

Ryan Walters (aka Grimace) has been a part of the local Electronic Music scene since 2008. What started as merely attending shows and concerts evolved over time to producing his own works, and performing at a wide variety of different venues and events across Minnesota. Trance and House are his genres of choice, but regardless of what he decides to play, it's hard to resist bouncing around during a Grimace set!

DJ JET

Remixing, producing, and spinning since 2008. Anything from Techno and Trance to Dubstep and Trap. Clubs, cons, anything with a dance floor.

MANGABOOKGUY

Grown from the hustle 'n' bustle of Chicago, this House lover has been bringing music to your ears since 2016. From Big Room to Deep, he's been spinning all House at Cons across the Midwest.

DJ CROZZWORKZ

DJ Crozzworkz has been DJing for over 15 years. He's been supported by many legendary DJs such as DJ S3RL and DJ Mad Mardigan (DJ for the Timberwolves). He's been considered by many as the "Mad Scientist of EDM," with his trademark Happy Hardcore DJ style which features many nerdy references from video games to anime songs and SO MUCH MORE! Crozzworkz was at last year's Anime Fusion and he promises that his new show will be even more epic!

WHITECHARISMA

Thanh Truong, known as "WhiteCharisma," started his music obsession in the early 2000's with the global phenomenon known as **Dance Dance Revolution**. The new take on dancing to music became his new favorite game to master and music outlet for years to come. In 2013, he began mixing music with a friend on a Pioneer DDJ-WeGo controller that soon became his new forte. He quickly adapted to learning many styles of mixing using a variety of controllers and software like Traktor, Serato, rekordbox, and Ableton. He was able to start his DJ career playing events at the University of Minnesota, ranging from cultural shows, school dances, and private events. His wide clasp of music genres ranging from KPOP, classic Hip-Hop, to a variety of electronic dance music styles has led him to experiment frequently mashing tunes together to create sounds like no other. Get ready to party hard because WhiteCharisma brings it all to the dance floor!

CHARITY AUCTIONS

ATTITUDES IN REVERSE OUR CHARITY PARTNER

Attitudes In Reverse's (AIR's) mission is to create a community of understanding, kindness and empathy through mental health education and awareness. AIR offers many programs that, when combined, remind students throughout the year that there are many people, perhaps their friends, family members or classmates, who may be living each day with mental health disorders. We must always be kind – no matter what people's differences are. We must understand that **NO ONE CHOOSES** to have a mental health disorder.

AIR strives to provide unlimited mental health awareness and suicide prevention programs to youth and young adults, regardless of their ability to pay. AIR aims to inspire hope for those suffering from mental pain to seek assistance while instilling empathy and understanding of mental health disorders throughout society.

Anime Fusion is proud to support AIR with the proceeds of our live charity auction. Support a worthy cause and take home a rare keepsake! We collect out-of-print, autographed, and special items for sale at the convention. 100% of sales at the live auction go to Attitudes in Reverse. Also keep an eye out for donation boxes at various places around the con.

Bids can be placed on Friday and Saturday, with items ready for pickup on Sunday.

SATURDAY

Smash Brothers: Ultimate Tournament

1:00 PM

Brought to you by VGM Con! A full 32-player bracket with tournament rules enabled in-game, in a 4-round Swiss format. Attendees are encouraged, but not required, to bring their own Switch to help us expand the tournament as participation allows. Our inventory system is stringent and we will make sure all attendee-lent equipment is fully accounted for from the time it's brought in to the time it leaves con space.

In a Swiss-system tournament, players are never eliminated. Instead, players are paired in every round. The number of rounds is predetermined, and the winner is the player who earns the most points by the end of the tournament.
