## CHAIR'S NOTE - DAMARRA A.

I'm keeping it short, folks. I am incredibly sad about this being Anime Fusion's final year, as things currently stand. You can find my more in-depth statement and insights about it on our website if desired.

BUT. I don't want to focus on that right now. I want to focus on this year; this event, this space that we're all in right now, together. I want to focus on *being* together, on everything we've shared, everything we've built, and all the memories and experiences that came as a result.

And that's what I want you to focus on this weekend, too. Love ya'll.

## BASIC RULES

- Don't break the hotel! Signs may only be posted using blue painter's tape.
- Be kind to your fellow attendees. Keep the hallways clear, watch out for large props and trailing costumes, and ask permission before taking photos.
- No sleeping in any convention spaces. No exceptions.
- No real weapons! Live steel is not allowed anywhere in the hotel, even if peace-bonded. Prop guns must be clearly identifiable as props on sight (i.e. marked with orange tips).
- Anime Fusion is an all-ages event. Please be mindful of your language and surroundings, and be considerate to everyone around you.
- Alcohol cannot be carried openly or brought into convention spaces.
- If it's illegal outside the convention, it's illegal inside the convention.
- Our complete costume policy, weapons policy, and harassment policy can also be found online at [www.animefusion.net](http://www.animefusion.net).

## CLOTHING & COSPLAY

- Anime Fusion is an all-ages event: All clothing worn in convention space must be appropriate for our overall PG-13 rating.

- Clothing printed with pornographic imagery, including "ahegao" print, is not permitted.
- The "bikini" areas of the body must be covered by solid material that is not see-through. This includes the entire buttocks and breast area, **FOR ALL GENDERS**. Attendees who are not sufficiently covered may be asked to change clothes. Non-clothing items that can be easily lost, such as towels, are not considered sufficient covering.
- All pieces of a costume must remain in the cosplayer's control at all times. No glitter, flower petals, or anything else that might flake off and create a mess unless it has been permanently secured to the costume.
- Costumes must be safe for a crowded public space. No sharp edges or sharpened points. Footwear must be worn at all times.
- Anime Fusion is committed to providing a comfortable environment for its attendees. Attendees displaying symbols, text, or imagery that is deemed hateful or offensive may be asked to remove those items. Law enforcement uniforms that are realistic enough to cause potential confusion are not permitted.
- Out of respect for those who have lost loved ones, we ask that you not wear clothing or carry signs that make light of the COVID-19 pandemic.

## HARASSMENT POLICY

**We do not tolerate harassment in any form.**

**Harassment includes offensive verbal or written comments, deliberate intimidation, stalking, following, unwelcome photography or recording, sustained disruption of panels or other events, inappropriate physical contact, unwelcome emails or social media content, and unwelcome attention.**

Certain clothing, text on clothing, signs, or behaviors that could be considered hate speech may also constitute harassment, even if not directed toward a specific individual. Attendees asked to stop any harassing behavior are expected to comply immediately. Violators may be expelled from the convention without a refund.

If you are being harassed, notice that someone else is being harassed, or have related concerns, please contact a staff member immediately.

## PARKING INFO

The Crowne Plaza has a surface lot and a two-story parking ramp on the hotel property, along with the athletic club parking area around the back of the hotel. The Crowne has also obtained permission from the city of Plymouth for attendees to park on Xenium Lane, between Campus Drive and 34th Avenue (on the west side of the road).

Attendees may also park in the Atria building's lot, **with restricted hours** allowed between 7 AM and 11 PM. *Cars remaining after 11 PM are subject to possibly being towed at owner's expense.*

In the event that your pre-registration is not found in our records, proof of payment such as a PayPal receipt will help us issue your badge.

Pre-registered attendees can pick up their badges in Operations when Registration is closed.

**Please note that a photo ID is still required to enter 18+ events;** your convention badge is not enough to attend adult programming.

Day passes are valid until 9:00 AM the following day. Outside of Registration hours, full weekend badges can be purchased in Operations.

## OPERATIONS & SAFETY VISTA ROOM

Friday: 9 AM - 2:30 AM

Saturday: 9 AM - 2:30 AM

Sunday: 9 AM - 6 PM

Lost something? Got a question? Need help from staff? Operations is the convention's main source for general info, after-hours badge pickup, and the Lost & Found. If you can't make it down to the Vista room to see us, scan our handy dandy QR code to submit a lost item report, to notify us of any issues, or to ask your questions.

Please note lost and found items are kept in storage from year to year - if you think you've misplaced something from years prior please stop by and check! This excludes any unsealed containers of liquid, or loose glitter - this prohibited item will go straight in the trash.

As you're wandering the halls, keep an eye out for the black Staff badges or the brightly colored vests of our Safety team for help and information!

**If you ever feel unsafe at the convention and there are no staff members around, you can contact us at (612) 547- 8224 for immediate assistance.**

This convention emergency hotline is printed on the back of every Anime Fusion membership badge and is a direct line to Operations. It accepts calls *and* text messages.

Sunday: 10 AM - 3 PM

This year's host for our tabletop gaming room will be Fox Den Board Gaming Cafe, coming to us straight from Burnsville, MN!

They will be hosting tournaments, game sessions and "learn to play" sessions for all attendees during the weekend, and will also have copies of great games for attendees to borrow and play with their friends or fellow con-goers: Your table awaits!

**Fox Den will be selling a variety of board games and Trading Card Games in their room, so check them out!**

#### About Fox Den:

Playing games should be fun for everyone, and that simple belief sparked the creation of Fox Den Board Game Cafe, opening our doors on December 15th, 2023 in Burnsville, MN. We envisioned an elevated space where gamers of all levels, ages, and backgrounds could connect, compete, and enjoy their passion. More than just a retail store, Fox Den is a community hub offering a diverse library of board games, thrilling trading card game tournaments, engaging tabletop RPG opportunities via our community board, and comfortable semi-private gaming rooms alongside a welcoming open play space.

At Fox Den, we've blended the excitement of gaming with the inviting atmosphere of a cozy cafe. Refuel your adventures with expertly crafted espresso drinks, refreshing bubble teas, locally sourced baked goods and deli items, and fun shareable snacks. Our team is dedicated to creating a comfortable and inclusive environment where everyone feels welcome, from seasoned veterans to those new to the world of games. We're constantly evolving, hosting daily events, and striving to be your favorite spot to gather, game, and enjoy good company. We can't wait to welcome you to the den!

## CHARITY AUCTIONS

### STUDIO 5

Friday: 2 PM - 8 PM

Saturday: 10 AM - 7 PM

Sunday: 10 AM - 2 PM

Anime Fusion is hosting our first charity auction in years, and we couldn't be more excited! We'll have our items in Studio 5 alongside GPS' auction items, so check them both out!

We have some incredibly cool items, such as out-of-print manga and magazines, DVDs, and decorative items, beautiful art prints (including a custom piece), retro toys and video games, figures, and more!

MANY of our items are signed by a variety of industry talent, including current and past year's Guests of Honor and beyond. Don't worry, items from this year's Guests are different than what you will find at their tables!

Our auction this year offers a double-whammy of charitable organization support:

40% of the proceeds will go to Quad Cities Anime Inc. - the 501(c)(3) nonprofit that owns Anime Fusion - in order to fund a variety of future events and activities.

**The other 60% of proceeds will go to ACLU of Minnesota, our state's branch of the American Civil Liberties Union!**

ACLU MN works to promote, protect, and extend the civil liberties and rights of people in Minnesota through litigation, lobbying, and community engagement – especially those who are marginalized.

## PRE-CON AND LIVE BIDDING!

We will be using Charity Auctions Today to host our inventory of auction items and enable all you wonderful people to view and bid on items with ease!

You'll have **three** opportunities to bid: Leading up to the convention, throughout Friday and early Saturday of con, and during our live Charity Auction event right here in Panel 2 (Conf D) on Saturday from 1:30-2:30pm!

Using their desktop or mobile browser, you'll be able to see all of our listed items, current prices, and get real-time updates if you're outbid on an item you had your eye on!

You can place bids manually, or enter a max amount that you'd be willing to spend on an item - this lets the system auto-bid for you each time a new submission comes in, up to the limit you selected.

More details will be shared on our social media and website, so keep your eye out! **Plan subject to change.**

We'd like to thank Anime Fusion/Quad Cities Anime Inc. for their continued support of the Geek Partnership Society.

This event is in a hybrid silent auction format with items in-person in Studio 5 and bidding online. Items up for auction have been donated by community members, dealers, and artists. Thank you to all of our donors for your support!

Funds raised will go to support year-round geeky community building, and public programs such as Project Lighthouse (an educational grants program), the GPS Annual Writing Contest, and the Space Camp Scholarship Fund.

By bidding in the live or silent auctions, each bidder agrees to posted auction rules, and to release contact information (name, phone number, email) in the event that item(s) won are not paid for and picked up.

## CONTENT CREATOR & MEDIA SUPPORT

Chrossplay (aka Brianna) is an up-and-coming creator who will be joining us this year to spread positivity and engagement while talking to attendees, making helpful content, and giving you fun insights into Anime Fusion's activities!

Chrossplay began her cosplay journey in 2020 during the pandemic, inspired by convention vlogs and the creativity of cosplayers online. What started as a way to pass the time quickly grew into a passion for connecting with the cosplay community. The name "Chrossplay" comes from a blend of Christ, the Cross, and Cosplay, reflecting her desire to bring faith, creativity, and positivity into the hobby.

Over the years, Chrossplay has been grateful to meet fellow cosplayers, learn new skills, and share her journey through social media. Her work combines a love for anime, cosplay, and storytelling, while also building spaces for encouragement and community.

## Roaming Photographer - Lou Zurn

We are thrilled to have a roaming photographer who will be popping up here and there throughout the event to capture candid shots, performances, and the overall spirit of the con!

Broadly describing her work as documentarian, Lou is currently based out of Minneapolis, MN and has been taking pictures professionally for over 10 years. She is often found capturing street portraits with a vintage film camera or taking pictures for the Twin Cities Gay Men's Chorus and OneVoice Mixed chorus; as well as other queer-focused events in the metro area. In addition to this, she loves to capture convention life having shot for Anime Fargo, Fargo CoreCon, Bay Area Brony Spectacular, Ponyville Ciderfest, Whinnny City Pony Con, and the most recent addition Anime Fusion. In her free time, she loves spending time with friends doing all manner of activities from curling to camping. Her favorite con guest that she's met is Jonny Brugh who played Deacon in What We Do In The Shadows (the movie, not the show).
